The Centre for Organizational Governance in Agriculture ("COGA") is very pleased to provide professional development and educational programs for directors, officers, management, staff, producers, growers, and interested individuals of agricultural boards, commissions and associations of British Columbia.

## **Effective Meetings – Part 1**

**Wednesday, October 19<sup>th</sup>, 2022**

**10:00 a.m. – Noon PDT**

**Via Zoom**

**Presenter:**

**Christopher Girodat, Girodat Consulting**

## **About the Workshop**

**This workshop provides an orientation to how Robert's Rules of Order can be used to make your meetings more effective. We will focus on the kinds of meetings, rules, and motions that boards are most likely to encounter in their work, all while not overwhelming you with "parliamentary procedure".**

**This workshop is ideal for new and nearly-new board members. It is also a great refresher for seasoned board members.**

## About our presenter

**Christopher Girdoat** [pronounced JEE-row-dat] is a board governance consultant and meeting facilitator with over a decade of experience in board governance and operations management in the non-profit and retail sectors. When he's not consulting, he's the Executive Director of the Capilano Students' Union on the beautiful North Shore.
